# *ABA Workshop in Echuca & Bendigo*

Community Living & Respite Services Inc  
ASD Case Consultant Practitioner for Loddon Mallee  
& the Autism Project Working Party hosts

## Autism Partnerships

### Theory of Mind:

#### Putting Yourself in Others' Shoes: Helping Children with ASD

#### Understand Theory of Mind

Presented by: Kerry Robertson

Understanding that the minds of others are different to your own mind, Theory of Mind, is believed to underlie many of the difficulties encountered by individuals with ASD. This workshop will illustrate specific skills that can be taught with the aim to begin to help children and adolescents with ASD develop a functional, meaningful understanding of Theory of Mind. The strategies discussed will be suitable for children of all ages with higher verbal and cognitive abilities
