

Directories

Where can I access an ASD Directory?

- Autism Victoria maintains a database of all known services to them. You can access this database by calling Autism Victoria Info line on 1300 308 699
- Positive Partnerships workshops have produced the following directories.
 1. Bendigo Positive Partnership's Local Services Guide 2011 : Coming Soon
 2. Echuca Positive Partnership's Local Services Guide 2010 : Coming Soon
- [Counselling services for individuals and families in Echuca and District.](#)
Created by Community Living & Respite Services inc
- The ASD Case Consultant Practitioner maintains a directory of participants of the ASD Special Interest groups hosted throughout Loddon Mallee. The purpose of this directory is so the professionals that attend can contact each other outside of the meetings. This directory is not for public distribution. If you are a participant of the Loddon Mallee ASD Special Interest groups and you would like a current copy of the participant's directory, please [email](#) the ASD Case Consultant Practitioner.

Are the services in these directories also listed on the Loddon Mallee ASD website?

ASD specific services are also listed under 'Services' on the Loddon Mallee ASD website in their relevant areas. E.g. Occupational Therapist, psychologist etc

How can I have my directory included?

Please [email](#) details of the directory to the ASD Case Consultant Practitioner.
